Mission

Quality Whitetails provides timely, practical information on Quality Deer Management (QDM), including food plots, habitat management, deer research, population management, and deer hunting related to QDM. We strive to offer advanced information for experienced deer hunters **as well as the basics for new hunters**. We also want to enhance the community feel of QDMA with stories that reflect the efforts, struggles and successes of our readers. When writing for *Quality Whitetails*, use an informal style, including anecdotes, humor and other devices that develop a rapport between you and your readers.
